- **Students are permitted to park on school premises as a matter of privilege, not of right.**

The interiors of student vehicles may be inspected whenever a school official has reasonable suspicion to believe that the student has violated or is about to violate the law or a school rule and that the search may yield evidence of a violation, or that illegal or unauthorized materials or other evidence of illegal or otherwise prohibited activities are contained inside the automobile. - The school's **attendance and tardy policy** will be enforced and student drivers may face additional consequences including loss of parking privileges.
- Permits are not transferable from student to student.
