Each colored square represents an available meeting time. The legend shows you which teacher corresponds to which color and the times increase as you go down the page.

2. **Click on a square to schedule that time**

3. You will optionally have the choice of setting a time when you would like an email reminder to be delivered, and you will be prompted to **enter student ID and birthdate**

4. Click on **"Create Appointment"**.

5. Repeat until you have a time with each teacher you'd like to visit with.

You can click on the **"Printable Schedule"** link located on the top right corner and print the resulting web page to get a hard copy of your schedule. You will also have the option to email the schedule to yourself.

If you want to make changes to your schedule you can click on the **"Your Schedule"** link, OR you can login at any other time with your email and password.

IMPORTANT NOTE: If you have two or more children at the school with the SAME teacher

If you have multiple children and they have the same teacher (ex. Band, math, etc.) you can only schedule one conference slot for both students.
